	MLP25RP	25" ID x 26-1/4" OD Poly Pan	PVC
	MLP27RC	27" ID x 29" OD Poly Pan	CPVC
	MLP27RP	27" ID x 29" OD Poly Pan	PVC

INSTALLATION NOTES

- Caution: to ensure proper performance of product, instructions must be followed.
- Inspect the drain pan for any shipping damage that may have occurred. If cracked or broken, DO NOT USE.
- Attach Fitting – remove zinc nut - leave the rubber washer on the fitting - push the threads through the outside of the pan to the inside of the pan - attach the zinc nut to the fitting inside the pan - tighten to slightly compress the rubber washer – DO NOT OVER TIGHTEN
- Make sure the pan-mounting surface is level and free of any and all debris.
- Place the water tank inside the pan.
- When brazing plumbing, take precautions to prevent pan from coming in contact with torch heat or brazing materials.
- Plumb drain pan, if required, in accordance with local applicable codes.
